CHILDREN'S PRAYER SERIES ENVELOPES NOW AVAILABLE IN BOXED SETS

HUNTINGTON, IN – Our Sunday Visitor Offertory Solutions is offering one of the most popular children's offertory envelope designs in a boxed set version. Previously available only as part of the periodic mailing program, the Children's Prayer Series envelopes feature a different picture and prayer each month.

As part of a boxed set, the envelopes can be numbered, dated and customized with church name and address. The set also includes matching Christmas and Easter offertory envelopes.

According to Trinidad Loza, marketing communications supervisor for Our Sunday Visitor, Children's Prayer Series envelopes are the perfect complement to a child's religious education. "Parents love these envelopes because they teach children the importance of prayer. Children love them because they reinforce what they are learning about the Catholic faith," he says.

OSV also offers a companion product, Catholic Cardlinks: Prayers. These Cardlinks are printed with grace-filled prayers, complete with the stories of how they became an essential part of Catholic devotional life. Prayers featured in the Children's Prayer envelope series and Cardlinks help children learn about and deepen their faith.
