

Direct Donate

ONLINE GIVING FROM OUR SUNDAY VISITOR

The Direct Donate function allows administrators to quickly and easily create direct links to funds of their choice. Administrators often want contributions to be applied towards a specific fund or cause. The new Direct Donate function makes it quick and easy, especially for mobile users. The Online Giving platform is mobile responsive and is easily viewable on smartphones, tablets, and laptop or desktop computers.

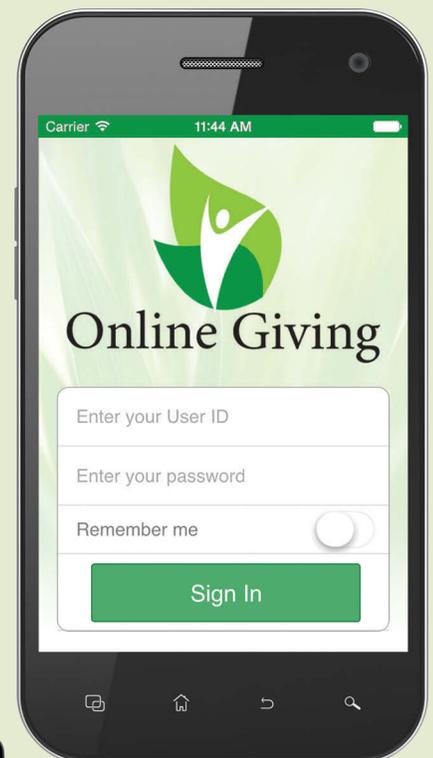

Features

- Administrators can create unique links for specific funds in the Online Giving application
- Preset donation amounts to match money box on envelopes or designate larger amounts
- Designed for quick one-time donations
- Perfect for use on mobile devices

Make giving on the go quick and easy with Direct Donate.
