

Swipe Transactions

ONLINE GIVING FROM OUR SUNDAY VISITOR

The convenience of accepting donations or purchasing items from the office, your bookstore or in the parking lot during a fundraiser can be made easier by using a swipe device that can process transactions directly through your Sage Virtual Terminal. As a parish using Online Giving from Our Sunday Visitor, your parish can add a swipe device to your account and begin taking payments anywhere.

Features

- Payments process through your existing Sage Virtual Terminal at your current rates with Online Giving
- Pull reports directly from your Virtual Terminal
- Receive monies directly into your bank account on file with Online Giving
- Office desktop model can be used for stationary processing
- Mobile processing devices can be used outside the office for sales or donations
