## Give and you shall receive

Move your parish into the digital age with Online Giving, a web-based offertory solution from Our Sunday Visitor and ParishSOFT®. This easy-to-use, customizable system allows your church to accept and track electronic donations through a simple, secure and convenient electronic interface.

### Giving offertory solution options

Tap into the checkless culture and reap the benefits. Our Sunday Visitor's Online Giving application can help your parish or diocese:

- Increase contribution amounts and consistency in giving
- Reduce administrative tasks and processes
- Provide parishioners with giving options they prefer
  - Checking account debit
  - Access to multiple bank accounts
  - Credit card transactions
- Eliminate the liability of storing sensitive bank account information
- Deliver accurately, timely reports
- Easily manage church funds

### Giving churches turn-key giving solutions

Our Sunday Visitor specializes in offertory giving solutions. The Online Giving application is a completely customizable tool to complement regular envelopes, special mailings and other offertory programs already in place. We'll help you manage the online giving process from start to finish.

### Giving parishioners options

Parishioners who use the Internet to pay their monthly household bills want the same option to contribute to their church. Our Sunday Visitor's Online Giving application is the perfect solution for weekly, monthly or annual contributions to regular collections and other financial campaigns.

The Online Giving application is easy to use, and features a list of frequently asked questions (FAQs). Additionally, mouse overs on specific fields provide users with access to more detailed instructions.

### Giving parishioners more control

Online Giving provides your members with the freedom to give anytime, anywhere with the click of a button found on your church's website.

Other benefits include:

### Registration and password control

Members provide account details online and receive a confirmation email without the assistance of the parish staff. Members can change auto-generated passwords or easily retrieve the information by having it sent to a valid email address.

### Contribution control

Members control the timing and amounts of contributions for each fund. They may also easily automate recurring donations to one or several funds. One-time gifts for a designated fund, event, or capital campaign may be made at any time. Members receive email reminders when contributions are deducted from their account or if there is a change or end to a designated fund.

### Expired card notification

Email notification of expiring credit cards will be sent to members so contributions are not interrupted.

### Real time changes

Members can easily change the amount or frequency of contributions by simply logging into their account.
