

Radius Web Tools

A Parish and Diocesan suite of web tools to help you build community

You may be the Director of Communications for your parish or diocese, or a parishioner who manages the website. You want your website to be an inviting and interactive tool for parishioners and for visitors, but you are challenged to find an easy way to create and maintain content. Radius Web Tools from Our Sunday Visitor provides you the ability to update text, photos and videos, create flipbooks and blogs. Easy-to-use, powerful and professional.

DISTINCTIONS:

- We provide a complete portfolio of total electronic and printed solutions for churches, schools and dioceses from a company with a deep understanding of Catholic operations.
- Radius Web Tools can be a complementary companion to Online Giving, an electronic offertory solution from Our Sunday Visitor. Let us help you find ways to cross-promote your website and Online Giving.
- We make it easy for you by managing the entire process. Our Sunday Visitor Offertory Solutions provides solutions for communication, offertory, parish and diocesan operations, stewardship and the Catholic community.

The Radius Web Tools support team has quickly responded to our questions, walked us through new features and is proactive in guiding us to new technologies.

Mary Byrne, Canton Museum

Content Management

Radius Web Tools allow any approved parishioner to easily change images, update calendar items, load pictures, videos and more, making content rich and meaningful. It also includes a selection of professional templates designed specifically for Catholic Churches.

The templates can be personalized with your colors, images, background and logos without additional cost. The result is a professional, custom look quickly.

The system provides familiar icons to use to manage the website. You can also create hyperlinks, and e-newsletters. Incorporate widgets for Headlines, FAQs, Upcoming Events and Slideshows. Copy Google Map HTML to the clipboard to insert a map on your site.

Calendar

The calendar in Radius Web Tools is a full function calendar which you can use to schedule meetings and events. The Calendar menu allows you to set

dates and recurrence for meetings. Visitors can use the subscribe feature to receive updates to meeting schedules or other events. Publish selected events or schedules to the home page of your website.

Forms

Use the forms capability of Radius Web Tools to set up payments for an event. You can place the event in your calendar and create a registration.

Community

Make your website work for you by connecting with your parishioners. Radius Web Tools include eNewsletter, email and blog features so you can interact with your members and the broader community. The Newsletter can contain embedded video and hyperlinks to increase the impact of your message.

Radius Webmail provides you web-based email function that can be your primary email, or allow you to check your email on other systems such as Outlook when you are not at your primary computer. Use blogs to stay

in touch. The Blog function in Radius Web Tools provides you an easy way to get started with blogs and set them up for your needs.

Social networking sites are another way to building community with your parishioners. Radius has built in functionality for the social sites such as Facebook, Twitter and YouTube.

Start With The Basics

You no longer have to be a computer programmer to maintain your website. In fact, you only need to have Radius Web Tools, a computer and an Internet connection to quickly update and add new content. Don't have a church website? Don't worry. OSV can help you with domain registration, hosting and design. It's easy and it's affordable. Does your website need a face lift? We can help with that, too.

Our Sunday Visitor serves millions of Catholics worldwide through its publishing, offertory and communication services. Established in 1912 by a local parish priest, Our Sunday Visitor has grown into the nation's largest supplier of offering envelopes, parish and diocesan mailings, books, periodicals, address management and stewardship services. Our Sunday Visitor is a not-for-profit organization, donating a portion of net earnings back to the Catholic community through the OSV Institute.
